about us

Welcome to Launder-Mutt

Northern Palm Beach County's premier mobile grooming salon. Our state-of-the-art grooming van travels to Hobe Sound, Jupiter, Tequesta, North Palm Beach, Palm Beach Gardens and Palm Beach Island to pamper pooches of all ages and sizes!

We at Launder-Mutt believe that a regular grooming routine can make your pet happier and healthier.

Here are just some of the benefits:

- Bathing removes dead hair, dirt and other debris from the coat
 - Brushing helps distribute the natural oils of the skin throughout the coat
 - A groomer can spot possible problem areas like lumps and bumps, ear and eye infections or tooth decay
 - Regular removal of excess hair from paw pads can prevent hygiene problems
 - Targeted trimming of hair around the face mouth and eyes prevents fur from becoming matted with food, saliva and dirt. Studies reveal regular trims can also reduce the chance of your dog developing glaucoma and cataracts.

contact us

Our groomers use specially formulated shampoos and conditioners that stop itching and odors, remove stains and yellowing, rebuild damaged coats and soothe skin.

We only treat one pet at a time (unless you have two dogs and would like them to be groomed together). Plus, Launder-Mutt clients never have to wait in a cage before or after their appointment. They're returned to their owners as soon as the make-over is over, clean, coiffed and content.

Working with us couldn't be easier
Just call (561) 745-2800 or (772) 286-8283.

We'll arrive at your home or office right on time in our self-contained grooming van. Our ultramodern mobile salon is brightly lit, fully air conditioned and outfitted with holt and cold water.
